

The graphic features a stylized map of Southeast Asia in a vibrant orange color, positioned to the left of the main title. The background is a deep blue space scene with a glowing blue horizon of the Earth at the bottom. A network of white lines connects various bright blue star-like points across the sky, creating a sense of global connectivity and technology.

Sun-Wa Vision 2030

Creating a bright future

Values: Our Guiding Principles

Customer First
Spirit of Challenge
Teamwork and Communication

Our Mission: Why We Exist?

We connect technologies in the world to create new value and support the development of a prosperous society.

We contribute to the development of a sustainable society by leveraging our global networks, latest technologies and optimal products

Our Vision: What We Aspire?

We are the best partner in manufacturing to make our customers' wants and needs possible, and connect businesses around the world with relationships of trust.

Values: Our Guiding Principles

■ Customer First:

Always think from customer's perspectives
Share values with customers, grasp their true needs
and put efforts to the maximum extent possible to
meet their needs

■ Spirit of Challenge:

Set high goals for your own growth and take
positive challenges without fear of change
Enhance creativity and expertise and aim to
improve corporate activities

■ Teamwork and Communication

Create new value by respecting others, recognizing
differences and incorporating values
Value business partners and make use of Sun-Wa's
integrated corporate strength
